RE: Amended 2012 April Quarterly Report

Enclosed please find an amended 2012 April Quarterly Report. This amendment serves to correct an error made when refunding an excess contribution. The contribution received by Ted Sanders on 3/3/12 was for \$2,500, not \$1,500 as originally reported. When the refund of \$1,000 was made to him for his excess contribution, the amount of the original contribution was erroneously lowered.

Secondly, when duplicate records in the database were combined, some contributors' aggregate totals were pushed over the reporting threshold. Therefore, the line 11 figures have changed. These contributors are now reflected on line 11a.

Please let me know if you have any further questions.
